Thank you for the submittal of a signed application form, Board Resolutions of Applications and initial deposits for the above referenced reorganization. The applicant agency must also attach a comprehensive narrative that includes the following information:

- An enumeration and description of the services to be extended to the affected territory.
- The level and range of those services.
- An indication of when those services can feasibly be extended to the affected territory.
- An indication of any improvement or upgrading of structures, roads, sewer or water facilities, or other conditions the local agency would impose or require within the affected territory if the change of organization or reorganization is completed.
- Information with respect to how those services will be financed.
